COAL-FIRED PIZZA

DRINKS

We would like to apologize for some of the extreme pricing changes to the menu. Due to Covid-19, prices on just about everything have gone up dramatically due to product shortages, fuel prices and staffing shortages through all industries involved in hospitality, and while we have tried to wait them out, we can no longer continue without making adjustments. We promise that we will adjust the prices accordingly if and when this ever gets back to normal. We appreciate your continued support and understanding!!

EFW Owners, management, and staff.
